OUR MISSION

ABOUT US

Clean the World Global is a global leader in sustainable impact solutions that aims to make the world a better place.

Clean the World Global is comprised of Clean the World, a leader in hospitality soap and plastic amenities recycling, and CTW Events, which provides global impact corporate team-building experiences with a social purpose.

Since our inception in 2009, we have diverted over 25 million pounds of waste from landfills, donated over 80 million bars of recycled soap to global NGOs, such as The WASH Foundation, and distributed more than 5 million hygiene kits to individuals in need.

About Clean the World

Clean the World is a global leader in sustainable environmental and social impact solutions, transforming used soap bars and plastic amenities that the hospitality industry would otherwise discard into life-saving, essential supplies for communities in need across the globe. With every soap and plastic amenity recycled, Clean the World helps reduce the impact of pollution on our planet and improves the lives of women, children, and communities globally by donating new soap bars to global NGOs, such as The WASH Foundation.

With over 8,000 participants in its Global Hospitality Recycling Program, Clean the World has already diverted over 25 million pounds of waste from landfills and donated over 80 million bars of recycled soap since its inception in 2009.
