

DELIVERING DIGNITY EXPERIENCE

CTW Events provides an engaging way for companies, clubs, and service organizations to meet corporate social responsibility (CSR) and environmental, social, and governance (ESG) goals, improve teamwork, boost morale, and create a renewed focus on community.

Your group can host a Delivering Dignity Experience where you work together to assemble hygiene and comfort items into reusable backpacks, including items such as **soap, shampoo, toothpaste, toothbrush, and rotating comfort items not limited to socks, lotion, or hand sanitizer**. After assembly, your group can donate these backpacks to shelters, missions, disaster relief efforts, or other organizations within your community.

Why Host a Delivering Dignity Experience?

GIVE HOPE

Provide essential hygiene and comfort items to individuals facing challenges while meeting their families' fundamental needs.

COLLABORATE

The bond formed and support given when people work together for a cause will yield benefits that surpass just an event.

PROMOTE IMPACT

Share with your social circle, volunteer, and celebrate the difference you make within your communities.

CHANGE LIVES

By distributing the kits locally, you experience first-hand how something so simple can have a profound impact on someone's life.
