

EMPOWERING EDUCATION EXPERIENCE

CTW Events provides an engaging way for companies, clubs, and service organizations to meet corporate social responsibility (CSR) and environmental, social, and governance (ESG) goals, improve teamwork, boost morale, and create a renewed focus on community.

Your group can host an Empowering Education Experience where you work together to assemble school supplies into backpacks, including notebooks, highlighters, pens, pencils, erasers, a pencil pouch, glue sticks, and crayons. After assembly, your group can donate these kits to Title I schools, a local youth organizations, and many other community initiatives.

Why Host an Empowering Education Experience?

GIVE HOPE

Provide essential school supplies to children facing insecurity in their lives at home and school.

COLLABORATE

The bond formed and support given when people work together for a cause will yield benefits that surpass just an event.

PROMOTE IMPACT

Share with your social circle, volunteer, and celebrate the difference you make within your communities.

CHANGE LIVES

By distributing the kits locally, you experience first-hand how something so simple can profoundly impact someone's life.

Looking for a way to give back from home?

Consider our at-home Empowering Education Experience! For this type of event, CTW Events will send your team members a box of school supplies directly to their homes so they can assemble backpacks with supplies and donate them directly to an organization of their choice.
